

## **Join our team as a Code Compliance Field Supervisor!**

We are seeking **two Field Supervisors** with strong leadership abilities to assist the division manager in leading a team of 15 certified and credentialed inspectors who work in the community each day.

The ideal candidate will perform his/her duties in alignment with the City's four core values - Honesty, Integrity, Stewardship, and Respect, and lead the way in these areas:

- Maintaining exceptional communications, interpersonal and customer service skills
- Managing large caseloads with a focus on code violation complaints in all five City Council Districts
- Actively monitoring the community, identifying code violation trends, and directing enforcement resources to improve all neighborhoods
- Promoting professionalism, fairness, transparency, and accountability in all aspects of providing code compliance services
- Bringing creative and innovative ideas to the team to improve community engagement and service delivery.

**For details on the Field Supervisor positions and to apply, visit the [City website](#).**

*The City of Greensboro Code Compliance division works to keep our community beautiful by enforcing the City's ordinances and property maintenance codes for residential and non-residential buildings. If you would like to be a part of improving quality of life for Greensboro residents, consider joining our team.*

*The Neighborhood Development Department serves as a catalyst for neighborhood revitalization and the development and implementation of affordable housing programs to improve the lives of Greensboro residents.*

Department staff focus on creating vibrant, diverse neighborhoods through the delivery of three major service areas:

- **Code Compliance** – enforces the City’s codes that keep our community beautiful.
- **Housing Services** – creates opportunities for residents by investing in, and promoting, affordable housing, property rehabilitation, home buying, and homelessness prevention.
- **Fiscal Planning and Administration** – manages federal funding awarded to the City and works with residents, businesses and community partners to lead programs that strengthen neighborhoods and encourage economic development.

*Check out Neighborhood Development’s website and follow us on [Facebook](#) for more information.*
